Simone & Allan ...chose the Argentinean Tango.

Hello Andrew!!!

I'm now officially Mrs Santana! Our dance was fantastic!! I learnt one thing from you and that is to let him lead!!! We've had compliments from everyone ☺ in fact, I've been asked by two wedding guests who our dance instructor was because they are interested in taking it up – so we must have been a good ad for you and more so – you must have done something right with the pair of us! So, hopefully you'll hear from Natalie Southgate in the next few days. Thanks again – and I'm keen on learning something new – let's see if Al is willing to give up a weeknight sometime in the future ☺☺

Rob & Kylie ... chose the hustle as their main dance but learnt 2 other dances over 3 months, with their flower girls and best men, in a mini workshop.

Dear Andrew

Thank you for making our special day even more special. We had one less thing to worry about. It went extremely well.
