Hi dance students.

I thought I would try a new background and format to encourage students to read the news letter.

Please note DANCE for LIFE is your studio and its success and survival hinges on your participation, however small,

Even if just passing on this newsletter or inviting family or friend to our Socials, Movie/Workshop nights,
Or new classes being launched.

Bear in mind discount incentives are in place should people you refer sign up for a 3 or 6 month course.

🌸 Argentine Tango beginner group starts -26 October 2009 🌸

Despite a few couples and singles not attending as booked and indicated, we had 12 couples turn out for the introductory session Monday 19 October.

7 couples have registered for the course starting Monday the 26th October till 7th December.

Believe it or not we had 6 spare guys & NO ladies. 3 guys were left without partners. Sorry ladies you snooze you lose.

Must say Natasha, Eduardo and I were disappointed as we went to allot of trouble to source men.

The course offered is R650/single & R1200/couple. NB Singles must have a partner.

CALL me if you still want to enroll for this course, but be quick –offer closes Friday 23rd October.

Annual registration for 2010:

Despite the dance associations recommending that the annual fees be a minimum R250 per member, I have decided to increase the fees by R50 only

Adults (i.e. 16 to 60) R200/person.

Children (i.e. 4 to 15) R180/person.

Pensioners (i.e. 60plus) R150/person.

Fees will also be increase by a minimal amount and in some cases not at all.

This will follow in a separate e mail.

Privates over December:

Being wedding and PARTY season **DFLA will operate over December on privates by appointment.** Please inform Engaged couples of the 4x1 hour workshops specials offered for a mere R1400, or R400/hour/couple, the cheapest in comparison to our opposition.
